The Professional Hunters' Association of South Africa (PHASA) has appointed Ripcord as its official rescue and evacuation provider.

Benefits for PHASA members include:

- 24/7 access to its advisory medical and security services on +1 415 418 0600 or [operations@redpointresolutions.com](mailto:operations@redpointresolutions.com);
- 15% revenue share for PHASA members for the successful referral of a client to Redpoint plus an additional 5% for PHASA's Conservation and Empowerment Fund;
- An evacuation program at no cost for every sixth successful client referral (where travel insurance is also included, the evacuation portion of the Ripcord program will be at no cost).
